With the end of one year in sight and another one just over the horizon, I thought this would be a good time to tell you about our UKita Annual Awards and Christmas Dinner on Friday 1st December.

UKita is a key driving force for ICT in the West Midlands, and increasingly so further a field as well. This will be your chance to catch up with what's going on in our growing association and to make new contacts. We will also be recognising companies and individuals who have contributed to the success of the organisation during the year in our first ever UKita awards.

We've put together a fantastic package of dinner and entertainment at the Novotel, one of Birmingham's best hotels. We will have an excellent guest speaker and music will be provided by soul band Back2Miami. And if you don't fancy the drive home afterwards, why not stay over and take advantage of the preferential room rates we have negotiated.

I look forward to welcoming you to what is sure to be one of the highlights of UKita's year.

See you there,

**Mike Sharpe**, *Chairman, UKita*
